JOSHUA FARMS MUNICIPAL MANAGEMENT
DISTRICT NO. 2

Ross S. Martin, Attorney for the District

NOTICE OF
CONTINGENT FEE CONTRACT BY AND BETWEEN
WINSTEAD PC AND
JOSHUA FARMS MUNICIPAL MANAGEMENT DISTRICT NO. 2

Pursuant to Chapter 2254.1036, Texas Government Code, notice is hereby given that Joshua Farms Municipal Management District No. 2 (the “District”) will consider a contingent fee contract for disclosure counsel legal services with Winstead PC (“Winstead”). The contingent fee contract by and between the District and Winstead will be presented to the District at a public meeting to be held on Monday, October 3, 2022, at 2:30 p.m. at 1460 Main Street, Suite 200, Southlake, Texas 76092.

The engagement of Winstead is required to render professional services in connection with the authorization, sale, and delivery of bonds, certificates of participation, notes, or other evidences of indebtedness (“Bonds”) on behalf of the District. Winstead will coordinate with the District and its consultants in the preparation of official statements and disclosure documents required for the sale of bonds in public securities markets. Winstead will additionally provide a negative assurance Opinion with respect to any offering document utilized by the District in the sale of Bonds.

Members of the Winstead Public Finance Practice Group have been advising clients and serving as bond, underwriter’s and disclosure counsel on tax-exempt and taxable bonds, and rendering market opinions for governmental issuers, including special districts, for over 40 years. Winstead Public Finance attorneys are active members of the National Association of Bond Lawyers.

Winstead’s fee for disclosure counsel services will be as follows: 1% of the par amount of any bonds issued, less the cost of any counsel to the underwriter for such Bonds.

Winstead will be engaged by the District to provide legal services with respect to disclosure by the District pursuant to federal securities laws for any Bonds to be issued by the District. The District will consider the engagement of Winstead to serve as disclosure counsel at its meeting on October 3, 2022.

Winstead's specialized practice in public finance transactions and representing governmental entities and underwriters provides the District with professional expertise therein, including matters relating to securities disclosure issues. Winstead is aware of the resources required to issue Bonds. Further, the District has no source of revenue sufficient to compensate an attorney in private practice under a contract for the payment of hourly fees without contingency in the context of a Bond issuance, nor does the District's support staff possess the qualifications or resources to properly represent the District in a Bond issuance. A contingent fee contract for disclosure counsel services with Winstead would allow the District to proceed with the issuance of Bonds in the most efficient, cost-effective, and feasible manner, resulting in benefits to future residents of Joshua Farms Municipal Management District No. 2.
