INDEPENDENT AUDITOR'S REPORT

Board of Directors Rockwall County Municipal Utility District No. 8 Rockwall County, Texas

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of Rockwall County Municipal Utility District No. 8 (the "District") as of and for the year ended August 31, 2022, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District as of August 31, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Board of Directors Rockwall County Municipal Utility District No. 8

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and the Schedule of Revenues, Expenditures and Changes in Fund Balance - Budget and Actual - General Fund be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Board of Directors Rockwall County Municipal Utility District No. 8

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The supplementary information required by the Texas Commission on Environmental Quality as published in the Water District Financial Management Guide is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The supplementary information, excluding that portion marked "Unaudited" on which we express no opinion or provide an assurance, has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED AUGUST 31, 2022

Management's discussion and analysis of Rockwall County Municipal Utility District No. 8's (the "District") financial performance provides an overview of the District's financial activities for the fiscal year ended August 31, 2022. Please read it in conjunction with the District's financial statements.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The basic financial statements include: (1) combined fund financial statements and government-wide financial statements and (2) notes to the financial statements. The combined fund financial statements and government-wide financial statements combine both: (1) the Statement of Net Position and Governmental Funds Balance Sheet and (2) the Statement of Activities and Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances. This report also includes required and other supplementary information in addition to the basic financial statements.

GOVERNMENT-WIDE FINANCIAL STATEMENTS

The District's annual report includes two financial statements combining the government-wide financial statements and the fund financial statements. The government-wide financial statements provide both long-term and short-term information about the District's overall status. Financial reporting at this level uses a perspective similar to that found in the private sector with its basis in full accrual accounting and elimination or reclassification of internal activities.

The Statement of Net Position includes the District's assets, liabilities, and, if applicable, deferred inflows and outflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating. Evaluation of the overall health of the District would extend to other non-financial factors.

The Statement of Activities reports how the District's net position changed during the current fiscal year. All current year revenues and expenses are included regardless of when cash is received or paid.

FUND FINANCIAL STATEMENTS

The combined statements also include fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District has three governmental fund types. The General Fund accounts for resources not accounted for in another fund, maintenance tax revenues, costs and general expenditures. The Debt Service Fund accounts for ad valorem taxes and financial resources restricted, committed or assigned for servicing bond debt and the cost of assessing and collecting taxes. The Capital Projects Fund accounts for financial resources restricted, committed or assigned for acquisition or construction of facilities and related costs.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED AUGUST 31, 2022

FUND FINANCIAL STATEMENTS (Continued)

Governmental funds are reported in each of the financial statements. The focus in the fund statements provides a distinctive view of the District's governmental funds. These statements report short-term fiscal accountability focusing on the use of spendable resources and balances of spendable resources available at the end of the year. They are useful in evaluating annual financing requirements of the District and the commitment of spendable resources for the near-term.

Since the government-wide focus includes the long-term view, comparisons between these two perspectives may provide insight into the long-term impact of short-term financing decisions. The adjustments columns, the Reconciliation of the Governmental Funds Balance Sheet to the Statement of Net Position and the Reconciliation of the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances to the Statement of Activities explain the differences between the two presentations and assist in understanding the differences between these two perspectives.

NOTES TO THE FINANCIAL STATEMENTS

The accompanying notes to the financial statements provide information essential to a full understanding of the government-wide and fund financial statements.

OTHER INFORMATION

In addition to the financial statements and accompanying notes, this report also presents certain required supplementary information ("RSI"). The budgetary comparison schedule is included as RSI for the General Fund.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net position may serve over time as a useful indicator of the District's financial position. In the case of the District, liabilities exceeded assets by \$3,496,198 as of August 31, 2022.

The following is a comparative analysis of government-wide changes in net position:

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED AUGUST 31, 2022

FINANCIAL ANALYSIS OF THE DISTRICT'S GOVERNMENTAL FUNDS

The District's combined fund balances as of August 31, 2022, were \$1,166,609, an increase of \$392,850 from the prior year.

The General Fund fund balance increased by \$54,218, primarily due to property tax revenues exceeding operating costs.

The Debt Service Fund fund balance increased by \$174,626, primarily due to the structure of the District's long-term debt.

The Capital Projects Fund fund balance increased by \$164,006, primarily due to bond anticipation note proceeds exceeding developer reimbursements, note interest costs and note issuance costs.

GENERAL FUND BUDGETARY HIGHLIGHTS

The Board of Directors did not amend the budget during the current fiscal year. Actual revenues were \$11,046 more than budgeted revenues. Actual expenditures were \$34,133 less than budgeted. This resulted in a positive budget variance of \$45,179. See the budget to actual comparison on page 30 for further information.

CAPITAL AND INTANGIBLE ASSETS

Capital assets as of August 31, 2022 total \$253,135 and include land for detention ponds in Woodcreek, Phases 5A and 8B.

Additionally, the District operates in contractual conjunction with the City of Fate, Texas (the "City"). In this arrangement, the facilities constructed by the District are conveyed to the City. The City maintains the facilities and operates the facilities for the benefit of the residents of the District. During the fiscal year ending August 31, 2022, the District recorded \$4,196,975 in transfers to the City in relation to assets that have been conveyed to the City. As of August 31, 2022, the District has recognized an intangible asset for the costs of the facilities conveyed which has a balance (net of accumulated amortization) of \$15,206,642.

LONG-TERM DEBT ACTIVITY

As of August 31, 2022, the District had total debt payable of \$7,300,000. The changes of the debt position of the District during fiscal year ended August 31, 2022, are summarized as follows:

Bond Debt Payable, September 1, 2021	\$ 7,300,000
Less: Bond Principal Paid	 -0-
Bond Debt Payable, August 31, 2022	\$ 7,300,000

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED AUGUST 31, 2022

LONG-TERM DEBT ACTIVITY (Continued)

The District's Series 2020 Utility and Series 2021 Road Bonds do not carry an underlying rating. The 2021 Road Bonds carry an insured rating of "AA" based on a policy issued by Build America Mutual Assurance Corporation.

CONTACTING THE DISTRICT'S MANAGEMENT

This financial report is designed to provide a general overview of the District's finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to Rockwall County Municipal Utility District No. 8 c/o Winstead PC, 2728 N. Harwood Street, Suite 500, Dallas, Texas 75201.

RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET TO THE STATEMENT OF NET POSITION AUGUST 31, 2022

Total Fund Balances - Governmental Funds

\$ 1,166,609

Amounts reported for governmental activities in the Statement of Net Position are different because:

Deferred inflows of resources related to property tax revenues and penalty and interest receivable on delinquent taxes for the 2021 and prior tax levies became part of recognized revenue in the governmental activities of the District.

6,332

Capital and intangible assets are not current financial resources and, therefore, are not reported as assets in the governmental funds.

15,459,777

The bond anticipation note is not due and payable in the current period, and therefore, is not reported as a liability in the governmental funds.

(3,222,000)

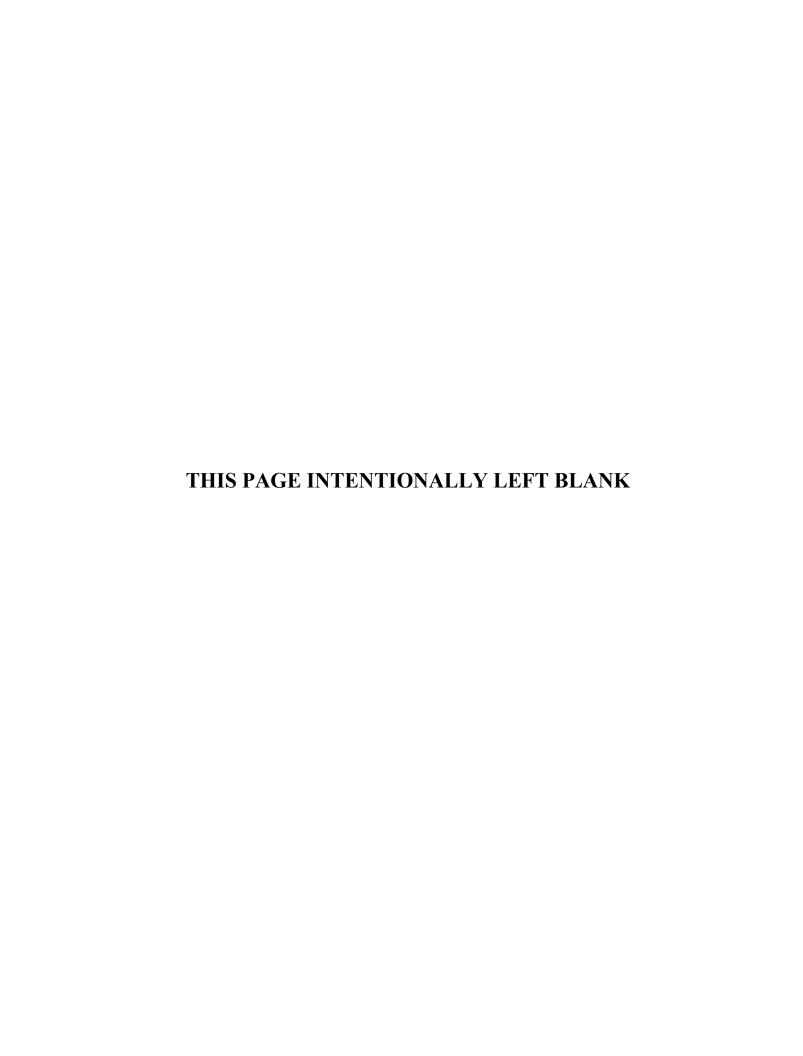

Certain liabilities are not due and payable in the current period and, therefore, are not reported as liabilities in the governmental funds. These liabilities at year end consist of:

Due to Developer \$ (9,529,807) Accrued Interest Payable (79,484) Bonds Payable (7,297,625)

(16,906,916)

RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES FOR THE YEAR ENDED AUGUST 31, 2022

Net Change in Fund Balances - Governmental Funds	\$ 392,850
Amounts reported for governmental activities in the Statement of Activities are different because:	
Governmental funds report tax revenues when collected. However, in the Statement of Activities, revenue is recorded in the accounting period for which the taxes are levied.	5,824
Governmental funds report interest expenditures on long-term debt as expenditures in the year paid. However, in the Statement of Net Position, interest is accrued on the long-term debt through fiscal year-end.	(16,312)
Governmental funds do not account for amortization. However in the Statement of Net Position, intangible assets are amortized and amortization expense is recorded.	(1,029,394)
Governmental funds report capital expenditures as expenditures in the period purchased. However, in the Statement of Net Position, capital and intangible assets are increased by new purchases and the Statement of Activities is not affected.	2,906,554
Governmental funds report bond anticipation note proceeds as other financing sources. Proceeds from the sale of the bond anticipation notes increase long-term liabilities in the Statement of Net Position.	 (3,222,000)
Change in Net Position - Governmental Activities	\$ (962,478)

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 1. CREATION OF DISTRICT

Rockwall County Municipal Utility District No. 8 (the "District") was created by Senate Bill 1855, passed by the 79th Legislature, Regular Session, of the State of Texas, operating pursuant to Article III, Section 52 and Article XVI, Section 59 of the Texas Constitution and by a confirmation election held within the District on May 13, 2006. The District operates under Chapters 49 and 54 of the Texas Water Code and other general laws of the State of Texas applicable to municipal utility districts. The District is vested with all the rights, privileges, authority and functions conferred by the laws of the State of Texas applicable to municipal utility districts, including without limitation those conferred by Chapters 49 and 54, Texas Water Code, as amended. The District is empowered to purchase, construct, operate and maintain all works, improvements, facilities and plants necessary for the supply of water; the collection, transportation and treatment of wastewater; and the control and diversion of storm water, among other things. The District may also provide solid waste collection and disposal service and operate and maintain recreational facilities. Currently the District's water and wastewater are provided by contract with the City of Fate, Texas (the "City") as described under "Special District Agreements," see Note 6. The District may operate and maintain a fire department, independently or with one or more other conservation and reclamation districts, if approved by the voters and the TCEQ. The District does not operate and/or maintain a fire department. The District is subject to the continuing supervision of the TCEQ and is located exclusively within the corporate limits of the City. The District held its organizational meeting on October 18, 2005, and sold its first series of bonds on October 27, 2020.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

The accompanying basic financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as promulgated by the Governmental Accounting Standards Board ("GASB"). In addition, the accounting records of the District are maintained generally in accordance with the *Water District Financial Management Guide* published by the Commission.

The District is a political subdivision of the State of Texas governed by an elected board. GASB has established the criteria for determining whether an entity is a primary government or a component unit of a primary government. The primary criteria are that it has a separately elected governing body, it is legally separate, and it is fiscally independent of other state and local governments. Under these criteria, the District is considered a primary government and is not a component unit of any other government. Additionally, no other entities meet the criteria for inclusion in the District's financial statement as component units.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Statement Presentation

These financial statements have been prepared in accordance with GASB Codification of Governmental Accounting and Financial Reporting Standards Part II, Financial Reporting ("GASB Codification").

The GASB Codification sets forth standards for external financial reporting for all state and local government entities, which include a requirement for a Statement of Net Position and a Statement of Activities. It requires the classification of net position into three components: Net Investment in Capital Assets; Restricted; and Unrestricted. These classifications are defined as follows:

- Net Investment in Capital Assets This component of net position consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvements of those assets.
- Restricted Net Position This component of net position consists of external constraints placed on the use of assets imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulation of other governments or constraints imposed by law through constitutional provisions or enabling legislation.
- Unrestricted Net Position This component of net position consists of assets that do not meet the definition of Restricted or Net Investment in Capital Assets.

When both restricted and unrestricted resources are available for use, generally it is the District's policy to use restricted resources first.

Government-Wide Financial Statements

The Statement of Net Position and the Statement of Activities display information about the District as a whole. The District's Statement of Net Position and Statement of Activities are combined with the governmental fund financial statements. The District is viewed as a special-purpose government and has the option of combining these financial statements.

The Statement of Net Position is reported by adjusting the governmental fund types to report on the full accrual basis, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. Any amounts recorded due to and due from other funds are eliminated in the Statement of Net Position.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Government-Wide Financial Statements (Continued)

The Statement of Activities is reported by adjusting the governmental fund types to report only items related to current year revenues and expenditures. Items such as capital outlay are allocated over their estimated useful lives as depreciation expense. Internal activities between governmental funds, if any, are eliminated to obtain net total revenues and expenses of the government-wide Statement of Activities.

Fund Financial Statements

As discussed above, the District's fund financial statements are combined with the government-wide financial statements. The fund financial statements include a Balance Sheet and a Statement of Revenues, Expenditures and Changes in Fund Balances.

Governmental Funds

The District has three governmental funds and considers each to be a major fund.

<u>General Fund</u> - To account for resources not required to be accounted for in another fund, maintenance tax revenues, costs and general expenditures.

<u>Debt Service Fund</u> - To account for ad valorem taxes and financial resources restricted, committed or assigned for servicing bond debt and the cost of assessing and collecting taxes.

<u>Capital Projects Fund</u> - To account for financial resources restricted, committed or assigned for acquisition or construction of facilities and related costs.

Basis of Accounting

The District uses the modified accrual basis of accounting for governmental fund types. The modified accrual basis of accounting recognizes revenues when both "measurable and available." Measurable means the amount can be determined. Available means collectable within the current period or soon enough thereafter to pay current liabilities. The District considers revenue reported in governmental funds to be available if they are collectable within 60 days after year-end. Also, under the modified accrual basis of accounting, expenditures are recorded when the related fund liability is incurred, except for principal and interest on long-term debt, which are recognized as expenditures when payment is due.

Property taxes considered available by the District and included in revenue include taxes collected during the year and taxes collected after year-end, which were considered available to defray the expenditures of the current year. Deferred inflows of resources related to property tax revenues are those taxes which the District does not reasonably expect to be collected soon enough in the subsequent period to finance current expenditures.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting (Continued)

Amounts transferred from one fund to another fund are reported as other financing sources or uses. Loans by one fund to another fund and amounts paid by one fund for another fund are reported as interfund receivables and payables in the Governmental Funds Balance Sheet if there is intent to repay the amount and if the debtor fund has the ability to repay the advance on a timely basis. As of August 31, 2022, the Debt Service Fund owed the General Fund \$5,069 for maintenance tax collections and the Capital Projects Fund owed the General Fund \$53,737 for bond anticipation note and bond issuance costs.

Capital and Intangible Assets

Capital assets, which include property, plant, equipment, and infrastructure assets, are reported in the government-wide Statement of Net Position. All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated assets are valued at their fair market value on the date donated. Repairs and maintenance are recorded as expenditures in the governmental fund incurred and as an expense in the government-wide Statement of Activities. Capital asset additions, improvements and preservation costs that extend the life of an asset are capitalized and depreciated over the estimated useful life of the asset. Engineering fees and certain other costs are capitalized as part of the asset.

Assets are capitalized, including infrastructure assets, if they have an original cost greater than \$5,000 and a useful life over two years. Depreciation is calculated on each class of depreciable property using the straight-line method of depreciation. Estimated useful lives are as follows:

	Years
Buildings	40
Water System	10-45
Wastewater System	10-45
Drainage System	10-45
All Other Equipment	3-20

To date, all capital assets constructed by the District have been conveyed to the City of Fate, Texas for operations and maintenance, except for detention pond land in Woodcreek, Phases 5A and 8B. These costs are recorded as an intangible asset and amortized over the term of the applicable service contract.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgeting

An annual unappropriated budget is adopted for the General Fund by the District's Board of Directors. The budget is prepared using the same method of accounting as for financial reporting. The original General Fund budget for the current year was not amended. The Schedule of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – General Fund presents the original budget amounts compared to the actual amounts of revenues and expenditures for the current year.

Pensions

The District has not established a pension plan as the District does not have employees. The Internal Revenue Service has determined that fees of office received by Directors are considered wages subject to federal income tax withholding for payroll tax purposes only.

Measurement Focus

Measurement focus is a term used to describe which transactions are recognized within the various financial statements. In the government-wide Statement of Net Position and Statement of Activities, the governmental activities are presented using the economic resources measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position, financial position, and cash flows. All assets and liabilities associated with the activities are reported. Fund equity is classified as net position.

Governmental fund types are accounted for on a spending or financial flow measurement focus. Accordingly, only current assets and current liabilities are included on the Balance Sheet, and the reported fund balances provide an indication of available spendable or appropriable resources. Operating statements of governmental fund types report increases and decreases in available spendable resources. Fund balances in governmental funds are classified using the following hierarchy:

Nonspendable: amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.

Restricted: amounts that can be spent only for specific purposes because of constitutional provisions, or enabling legislation, or because of constraints that are imposed externally.

Committed: amounts that can be spent only for purposes determined by a formal action of the Board of Directors. The Board is the highest level of decision-making authority for the District. This action must be made no later than the end of the fiscal year. Commitments may be established, modified, or rescinded only through ordinances or resolutions approved by the Board. The District does not have any committed fund balances.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assigned: amounts that do not meet the criteria to be classified as restricted or committed, but that are intended to be used for specific purposes. The District has not adopted a formal policy regarding the assignment of fund balances and does not have any assigned fund balances.

Unassigned: all other spendable amounts in the General Fund.

When expenditures are incurred for which restricted, committed, assigned or unassigned fund balances are available, the District considers amounts to have been spent first out of restricted funds, then committed funds, then assigned funds, and finally unassigned funds.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

NOTE 3. LONG-TERM DEBT

	Series 2020	Road Series 2021
Amount Outstanding – August 31, 2022	\$ 4,990,000	\$ 2,310,000
Interest Rates	2.00% - 3.00%	2.375% - 4.875%
Maturity Dates – Serially Beginning/Ending	October 1, 2023/2045	October 1, 2023/2046
Interest Payment Dates	October 1/April 1	October 1/April 1
Callable Dates	October 1, 2025*	October 1, 2025*

^{*} In whole or in part, or any date thereafter at par plus unpaid accrued interest. Series 2020 term bonds maturing October 1, 2042 and October 1, 2045 are subject to mandatory redemption beginning October 1, 2039 and October 1, 2043, respectively. Series 2021 Road term bonds maturing October 1, 2032, October 1, 2034, October 1, 2037, October 1, 2040, October 1, 2043, and October 1, 2046 are subject to mandatory redemption beginning October 1, 2031, October 1, 2033, October 1, 2035, October 1, 2038, October 1, 2041, and October 1, 2044, respectively.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 3. LONG-TERM DEBT (Continued)

The following is a summary of transactions regarding bonds payable for the year ended August 31, 2022:

	September 1, 2021		Additions Retirements				August 31, 2022		
Bonds Payable Unamortized Discounts Unamortized Premiums	\$	7,300,000 (44,471) 41,960	\$		\$	(1,826) 1,690	\$	7,300,000 (42,645) 40,270	
Bonds Payable, Net	\$	7,297,489	\$	-0-	\$	(136)	\$	7,297,625	
			Amount Due Within One Year Amount Due After One Year Bonds Payable, Net				\$	-0- 7,297,625	
							\$	7,297,625	

As of August 31, 2022, the District had authorized but unissued bonds in the amount of \$13,710,000 for water, sanitary sewer and drainage bonds, \$48,100,000 for refunding bonds and \$15,990,000 for road bonds.

As of August 31, 2022, the debt service requirements on the bonds outstanding were as follows:

Fiscal Year	Principal	Interest	 Total
2023	\$	\$ 190,761	\$ 190,761
2024	220,000	187,627	407,627
2025	230,000	181,187	411,187
2026	235,000	174,526	409,526
2027	245,000	168,532	413,532
2028-2032	1,325,000	758,120	2,083,120
2033-2037	1,525,000	587,145	2,112,145
2038-2042	1,770,000	369,175	2,139,175
2043-2047	1,750,000	106,597	 1,856,597
	\$ 7,300,000	\$ 2,723,670	\$ 10,023,670

The bonds are payable from the proceeds of an ad valorem tax upon all property subject to taxation within the District, without limitation as to rate or amount. During the current fiscal year ended August 31, 2022, the District levied an ad valorem debt service tax rate of 0.54 per 100 of assessed valuation (\$0.38 for Utility and \$0.16 for Roads), which resulted in a levy of \$362,522 on the adjusted taxable valuation of \$67,133,608 for the 2021 tax year. The bond orders require the District to levy and collect an ad valorem debt service tax sufficient to pay interest and principal on the bonds when due and the cost of assessing and collecting taxes. See Note 7 for the maintenance tax levy.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 3. LONG-TERM DEBT (Continued)

All property values and exempt status, if any, are determined by the appraisal district. Assessed values are determined as of January 1 of each year, at which time a tax lien attaches to the related property. Taxes are levied around October/November, are due upon receipt and are delinquent the following February 1. Penalty and interest attach thereafter.

NOTE 4. SIGNIFICANT BOND ORDER AND LEGAL REQUIREMENTS

The bond orders state that the District is required by the Securities and Exchange Commission to provide continuing disclosure of certain general financial information and operating data with respect to the District to certain information repositories. This information, along with the audited annual financial statements, is to be provided within six months after the end of each fiscal year and shall continue to be provided through the life of the bonds.

For the bonds sold, the District has covenanted that it will take all necessary steps to comply with the requirement that rebatable arbitrage earnings on the investment of the gross proceeds of the bonds be rebated to the federal government, within the meaning of Section 148(f) of the Internal Revenue Code.

NOTE 5. DEPOSITS AND INVESTMENTS

Deposits

Custodial credit risk is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. The District's deposit policy for custodial credit risk requires compliance with the provisions of Texas statutes.

Texas statutes require that any cash balance in any fund shall, to the extent not insured by the Federal Deposit Insurance Corporation or its successor, be continuously secured by a valid pledge to the District of securities eligible under the laws of Texas to secure the funds of the District, having an aggregate market value, including accrued interest, at all times equal to the uninsured cash balance in the fund to which such securities are pledged. At fiscal year end, the carrying amount of the District's deposits was \$293,280 and the bank balance was \$299,540. The bank balance was covered by federal depository insurance and other pledged collateral.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 5. DEPOSITS AND INVESTMENTS (Continued)

Deposits (Continued)

	Cash
GENERAL FUND	\$ 8,752
DEBT SERVICE FUND	41,484
CAPITAL PROJECTS FUND	 243,044
TOTAL DEPOSITS	\$ 293,280

Investments

Under Texas law, the District is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity and that address investment diversification, yield, maturity, and the quality and capability of investment management, and all District funds must be invested in accordance with the following investment objectives: understanding the suitability of the investment to the District's financial requirements, first; preservation and safety of principal, second; liquidity, third; marketability of the investments if the need arises to liquidate the investment before maturity, fourth; diversification of the investment portfolio, fifth; and yield, sixth. The District's investments must be made "with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived." No person may invest District funds without express written authority from the Board of Directors.

Texas statutes include specifications for and limitations applicable to the District and its authority to purchase investments as defined in the Public Funds Investment Act. The District has adopted a written investment policy to establish the guidelines by which it may invest. This policy is reviewed annually. The District's investment policy may be more restrictive than the Public Funds Investment Act.

The District invests in LOGIC (Local Government Investment Cooperative), an external public fund investment pool that is not SEC-registered. LOGIC is organized and existing as a business trust under the laws of the State of Texas with all participant funds and all investment assets held and managed in trust by a Board of Trustees for the benefit of the participants. Hilltop Securities, Inc. and J.P. Morgan Investment Management, Inc. serve as co-administrators of the pool. LOGIC measures all of its portfolio assets at amortized cost for financial reporting purposes and, therefore, the District measures its investments in LOGIC at amortized cost. There are no limitations or restrictions on withdrawals from LOGIC.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 5. DEPOSITS AND INVESTMENTS (Continued)

Investments (Continued)

As of August 31, 2022, the District had the following investments and maturities:

				laturities of
Fund and			J	Less Than
Investment Type	_ Fa	air Value		1 Year
GENERAL FUND LOGIC	\$	229,451	\$	229,451
DEBT SERVICE FUND LOGIC		365,205		365,205
CAPITAL PROJECTS FUND LOGIC		326,827		326,827
TOTAL INVESTMENTS	\$	921,483	\$	921,483

Credit risk is the risk that the issuer of other counterparty to an investment will not fulfill its obligations. As of August 31, 2022, the District's investment in LOGIC was rated AAA by Standard and Poor's.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The District considers the investment in LOGIC to have a maturity of less than one year due to the fact the share position can usually be redeemed each day at the discretion of the District, unless there is a significant change in value.

Restrictions

All cash and investments of the Debt Service Fund are restricted for the payment of debt service and cost of assessing and collecting taxes. All cash and investments of the Capital Projects Fund are restricted for the purchase of capital assets.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 6. CAPITAL AND INTANGIBLE ASSETS

Capital assets as of August 31, 2022 total \$253,135 and include land for detention ponds in Woodcreek, Phases 5A and 8B. Additionally, the District operates in contractual conjunction with the City of Fate, Texas (the "City"). In this arrangement, the facilities constructed by the District are conveyed to the City. The City maintains the facilities and operates the facilities for the benefit of the residents of the District. During the fiscal year ending August 31, 2022, the District recorded \$4,196,975 in transfers to the City in relation to intangible assets that have been conveyed to the City. As of August 31, 2022, a total of \$15,206,642 in assets have been conveyed to the City.

NOTE 7. MAINTENANCE TAX

On May 13, 2006, the voters of the District approved the levy and collection of a maintenance tax in an unlimited amount per \$100 of assessed valuation of taxable property within the District. This maintenance tax is to be used by the General Fund to pay expenditures of operating the District's waterworks and wastewater systems. During the current fiscal year, the District levied an ad valorem maintenance tax at the rate of \$0.21 per \$100 of assessed valuation, which resulted in a tax levy of \$140,981 on the adjusted taxable valuation of \$67,133,608 for the 2021 tax year.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 8. SPECIAL DISTRICT AGREEMENT

Rockwall County Consolidated Municipal Utility District No. 1 (District No. 1), Rockwall County Consolidated Municipal Utility District No. 2 (District No. 2), the City of Fate, Texas (the "City") and PRA/Fate Development Corp., the Developer within the District, have entered into the Special District Agreement dated December 1, 2003. Pursuant to the terms of the agreement, the City agrees to provide retail water capacity to 1,300 residential units and sewer capacity to 700 residential units within the districts. The City agrees to own, operate and maintain the facilities and charge user fees equal to those charged others within its boundaries. Under the agreement, the Developer agrees to finance and construct on behalf of the districts the internal water, sewer and drainage facilities.

On May 17, 2006, the District, District No. 1, Rockwall County Municipal Utility District's No. 6, 7 and 9 (District's No. 6, 7 and 9), the City, and PRA/Fate Development Corp. entered into the Special District Agreement No. 2. This agreement noted that District No. 2 has become dormant and that the District and District's No. 6, 7 and 9 have been created over land comprising of District No. 2 and are now party to the original agreement in the place of District No. 2. It was also noted that the newly created districts have certain road powers that the District does not have and that the construction and acquisition of roads will be subject to the same rights and obligations as the water, sewer and drainage facilities referenced in the original agreement. Pursuant to the terms of the agreement, the City agrees to provide additional retail water capacity to 1,000 residential units and sewer capacity to 500 residential units with the districts.

Pursuant to the Capacity Allocation Agreement between the District, District No. 1 and District's No. 6, 7 and 9 approved on September 19, 2006, the districts have agreed that all the water and sewer capacity mentioned in the Special District Agreement and the Special District Agreement No. 2 will be allocated to District No. 1. The districts will cooperate with the Developer and the City for any additional water and sewer capacity that will be needed by any of the districts. PRA/Fate Development Corp., the original developer, has assigned the agreements to Southstar Woodcreek Developer, LLC.

NOTE 9. UNREIMBURSED COSTS

The District has executed development financing agreements with Developers within the District. These agreements call for the Developers to fund costs associated with water, sewer and drainage facilities and to advance monies to fund operations until such time as the District can sell bonds to reimburse the Developers. As reflected in the Statement of Net Position, \$9,529,807 has been recorded as a liability for completed facilities financed by Developers and for developer advances. Reimbursement to the Developers will come from future bond sales.

Due to Developers, September 1, 2021	\$ 8,239,387	
Current Year Additions	2,497,555	
Current Year Reimbursements	(1,207,135)	
Due to Developers, August 31, 2022	\$ 9,529,807	

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 10. RISK MANAGEMENT

The District is exposed to various risks of loss related to torts, theft of, damage to and destruction of assets, error and omission and natural disasters for which the District carries commercial insurance. There have been no significant reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years.

NOTE 11. WATER AND WASTEWATER CAPACITY

On June 24, 2003, the City and PRA/Fate Development Corp ("PRA/Fate") entered into an agreement for certain off-site water and sewer improvements to serve the District (the "2003 Agreement"). PRA/Fate agreed to pay the entire cost for the design and construction of the improvements and, as consideration for the construction of the improvements, the City shall provide access, capacity and rights to water and sewer services for PRA/Fate to be used on the property provided by the improvements.

In order to adequately serve the property with sewer service, the City has become a member of the Sabine Creek Wastewater System, which is owned and operated by North Texas Municipal Water District ("NTMWD"). The City's capacity contracts with NTMWD require annual debt service payments from the City to NTMWD. Any shortfall between the City's sewer revenue and the debt service payment to NTMWD related to District No. 1 would be paid by PRA/Fate pursuant to the 2003 Agreement.

On November 15, 2010, the 2003 Agreement was amended. On September 24, 2013, PRA/Fate assigned the reimbursement rights to Southstar Woodcreek Developer, LLC ("the Developer"). The City will remain obligated to fully reimburse the Developer for remaining unreimbursed project costs. In consideration for the Developer funding the project costs and project improvements, the City agrees to provide the Developer, and in turn District No. 1, with 2,300 residential units of water capacity and 1,200 residential units of wastewater capacity.

In consideration for the provisions of wastewater service to District No. 1 and reservation of wastewater capacity for District No. 1 the Developer had made and shall make annual payments to the City according to the following schedule; \$400,000, 200,000, and \$152,525 due on November 30, 2010, September 30, 2011 and September 30, 2012 respectively, for the debt service payments to NTMWD. District No. 1 paid these amounts to the City, in lieu of Developer payment or as reimbursement to the Developer for prior payments which are of benefit to District No. 1, in a prior fiscal year. After payment of these amounts, the Developer and District No. 1 have no other obligation to pay such shortfall amounts to the City. The term of the agreement is the earlier of 20 years or satisfaction of all terms and conditions by the parties to the agreement.

NOTES TO THE FINANCIAL STATEMENTS AUGUST 31, 2022

NOTE 12. BOND ANTICIPATION NOTE SALE

On March 1, 2022, the District closed on the sale of its \$3,222,000 Bond Anticipation Note, Series 2022 (the "BAN"). Proceeds from the BAN were used to reimburse Developers for a portion of the costs associated with construction and engineering for water, wastewater and drainage facilities to serve Woodcreek, Phases 5A, 5B, 8B and 8C; Woodcreek, Phase 5B grading; Woodcreek, Phase 8B Pond Retaining Wall; water and wastewater impact fees; and to pay issuance costs of the BAN. The BAN was redeemed with proceeds from the Series 2022 Utility Bonds, see Note 13.

NOTE 13. SUBSEQUENT EVENT – BOND SALES

On October 26, 2022, subsequent to year end, the District closed on the sale of its \$5,290,000 Unlimited Tax Utility Bonds, Series 2022. Proceeds from the bonds were used to reimburse Developers for a portion of the costs associated with construction and engineering for water, wastewater and drainage facilities to serve Woodcreek, Phases 5A, 5B, 8B and 8C; Woodcreek, Phase 5B grading; Woodcreek, Phase 8B Pond Retaining Wall; and to redeem the Series 2022 BAN and pay for capitalized interest and issuance costs of the BAN and bonds.

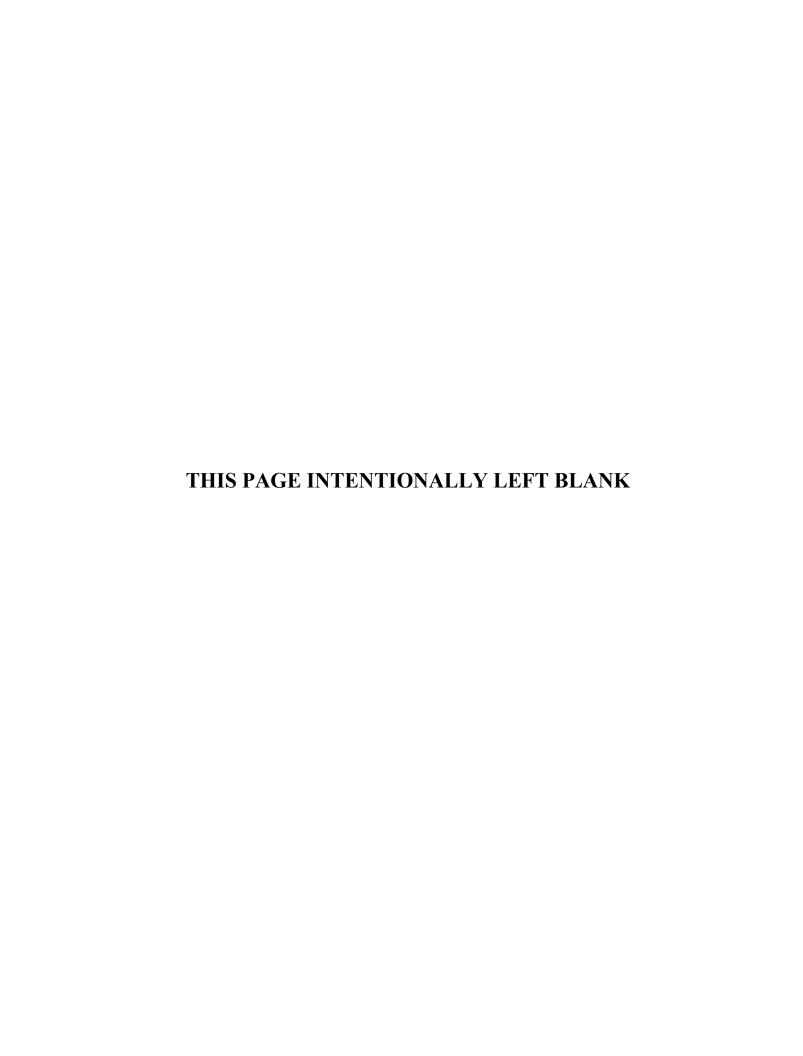

On October 26, 2022, subsequent to year end, the District closed on the sale of its \$4,540,000 Unlimited Tax Road Bonds, Series 2022. Proceeds from bonds were used to reimburse Developers for construction and engineering costs for road facilities to serve Woodcreek, Phases 5A, 5B and 8B and land costs; and to pay for capitalized interest, developer interest and issuance costs of the bonds.

Notes:

No Director has any business or family relationships (as defined by the Texas Water Code) with major landowners in the District, with the District's developers or with any of the District's consultants.

Submission date of most recent District Registration Form: January 9, 2023

The limit on Fees of Office that a Director may receive during a fiscal year is \$3,500 as set by Board Resolution on October 18, 2005. Fees of Office are the amounts actually paid to a Director during the District's current fiscal year.

See accompanying independent auditor's report.
