NOTICE OF  
CONTINGENT FEE CONTRACT BY AND BETWEEN  
WINSTEAD PC AND  
COLLIN COUNTY MUNICIPAL UTILITY DISTRICT NO. 6

Pursuant to Chapter 2254.1036, Texas Government Code, notice is hereby given that Collin County Municipal Utility District No. 6 (the "District") will consider a contingent fee contract for bond counsel legal services with Winstead PC ("Winstead"). The contingent fee contract by and between the District and Winstead will be presented to the District at a public meeting to be held on at 12:15 p.m. on Thursday, February 15, 2024 at south of State Highway 78 between FM 2755 and County Road 483, southeast of the City of Lavon, and accessed from the north from State Highway 78 to FM 2755 or State Highway 78 to FM 2755 to County Road 483.

The engagement of Winstead is required to render professional services in connection with the authorization, sale, and delivery of bonds, certificates of participation, notes, or other evidences of indebtedness (the "Bonds") on behalf of the District. Winstead will coordinate with the District and its consultants in the preparation of bond applications, official statements, and transcripts of legal proceedings to comply with the requirements of the Attorney General of the State of Texas, and will coordinate with the District and its consultants in all matters relative to the receipt and tabulation of bids for purchase of bonds. Additionally, Winstead will supervise the execution and delivery of the bonds to the original purchasers. Winstead will additionally provide an Opinion to confirm the validity of the bonds, and the tax-exempt status of the interest earned thereon under Federal Income Tax regulations, if applicable.

Members of the Winstead Public Finance Practice Group have been advising clients and serving as bond counsel on tax-exempt and taxable bonds, and rendering market opinions for governmental issuers, including special districts, for over 40 years. Winstead Public Finance attorneys are active members of the National Association of Bond Lawyers.

Winstead's fee for bond counsel services will be as follows: for new-money financings, 2.5% of the principal amount thereof; for refundings, 1.25% of the principal amount thereof; and for Anticipation Notes, 1%.

Winstead was engaged by the property owners of the District to create the District, and to provide for the financing of water, sanitary sewer, drainage, roadway, transportation, and similar infrastructure for master-planned developments to serve future residents and users. The District will consider the engagement of Winstead to serve as bond counsel at its organizational or meeting.

Winstead's specialized practice in public finance transactions provides the District with professional expertise therein, including oversight and compliance with Local, State, and Federal regulatory agencies. Winstead is aware of the resources required to issue Bonds. Further, the District has no source of revenue sufficient to compensate an attorney in private practice under a contract for the payment of hourly fees without contingency in the context of a Bond issuance, nor does the District's support staff possess the qualifications or resources to properly represent the District in a Bond issuance. A contingent fee contract for bond counsel services with Winstead would allow the District to proceed with the issuance of Bonds in the most efficient, cost-effective, and feasible manner, resulting in benefits to future residents of the District.
