NOTICE OF
CONTINGENT FEE CONTRACT BY AND BETWEEN
WINSTEAD PC AND
LA CIMA MUNICIPAL MANAGEMENT DISTRICT NO. 1-A

Pursuant to Chapter 2254.1036, Texas Government Code, notice is hereby given that La Cima Municipal Management District No. 1-A (the “District”) will consider a contingent fee contract for bond counsel legal services with Winstead PC (“Winstead”). The contingent fee contract by and between the District and Winstead will be presented to the District at a public meeting to be held on August 6, 2026, at 10:10 a.m. 2492 Old Ranch Road 12, San Marcos, Texas 78666, which is within the boundary of the District.

The engagement of Winstead is required to render professional services in connection with the authorization, sale, and delivery of bonds, certificates of participation, notes, or other evidences of indebtedness (“Bonds”) on behalf of the District. Winstead will coordinate with the District and its consultants in the preparation of bond applications, official statements, and transcripts of legal proceedings to comply with the requirements of the Attorney General of the State of Texas, and will coordinate with the District and its consultants in all matters relative to the receipt and tabulation of bids for purchase of bonds. Additionally, Winstead will supervise the execution and delivery of the bonds to the original purchasers. Winstead will additionally provide an Opinion to confirm the validity of the bonds, and the tax-exempt status of the interest earned thereon under Federal Income Tax regulations, if applicable.

Members of the Winstead Public Finance Practice Group have been advising clients and serving as bond counsel on tax-exempt and taxable bonds, and rendering market opinions for governmental issuers, including special districts, for over 40 years. Winstead Public Finance attorneys are active members of the National Association of Bond Lawyers.

Winstead’s fee for bond counsel services will be as follows: for new-money financings, 1.5% of the principal amount thereof; for refundings, 0.625% of the principal amount thereof; and for Anticipation Notes, 0.5%.

Winstead was engaged by the property owners of the District to create the District, and to provide for the financing of water, sanitary sewer, drainage, roadway, transportation, and similar infrastructure for master-planned developments to serve future residents and users.
